Model No. _____
Quantity _____

Features & Benefits

- Self-contained unit stores freshwater and collects wastewater and needs no electricity or plumbing to operate.
- Freshwater tank holds 18 gallons (68,1 liters).
- Wastewater (gray water) tank holds 20.5 gallons (77,6 liters).
- Sink / wastewater tank is removeable.
- Unit weight (empty) is 53.6 lbs. (24,3 kg).
- Unit weight (full) is 224.7 lbs. (101,9 kg).
- Casters: two each 3" diameter (7,6 cm) with precision bearings.
- Sink height from the ground is 34" (86,3 cm) (ADA compliant).
- Fill the freshwater tank by removing the port hole on the back of the unit, using a standard garden hose and filling up to the Max Fill line.
- The freshwater tank can be drained using the drain plug on the lower left side.
- Drain the wastewater tank using the valve drain on the lower right side. You can attach a hose for hard to reach drains.
- Includes two automatic, touchless soap dispensers that require 4 AA batteries each to operate.
 - Each soap dispenser holds 23.7 oz (700 ml) of liquid hand soap. Do not use foaming soap or hand sanitizer in the soap dispensers.
- Paper towel dispenser holds standard multifold paper towels.
- Unit comes fully assembled.
- Personalization available to add custom graphics to the curved, lower front surface area.
- Available in 1 color: Charcoal Gray (615).
- Patent has been applied for.
